**DETAILED ACTION**

***Response to Amendment***

The Amendment, filed on March 15, 2004, has been entered and acknowledged by the Examiner.

Claims 1-3 are pending in the instant application.

***Allowable Subject Matter***

Claims 1-3 are allowed over the prior art of record.

The following is an examiner's statement of reasons for allowance:

Regarding claim 1, the references of the Prior Art of record fails to teach or suggest the combination of the limitations as set forth in claim 1, and specifically comprising the limitation of applying an electric field between the rear plate and the face plate while the depressurized airtight container is slanted so that a longitudinal direction of the plate-shaped spacers is not perpendicular to a gravitational direction.

Regarding claims 2 and 3, claims 2 and 3 are allowable for the reasons given in claim 1 because of their dependency status from claim 1.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
